Viticus Group Honors Continuing Educators of the Year

Congratulations to the 2022 Continuing Educators of the Year, recognized for their outstanding contribution to the WVC 94th Annual Conference.

LAS VEGAS, NEVADA (April 4, 2022)—Seven exceptional educators were chosen among the many speakers at the WVC Annual Conference in Las Vegas, Nevada, on March 6-9, 2022, as Continuing Educators of the Year. At this leading veterinary conference powered by [Viticus Group](#), participants select the conference presenters they feel are superior in their ability to deliver information with insight, accuracy, depth, and openness.

We recognize and honor the following 2022 Continuing Educators of the Year:

Krista Keller, DVM, DACZM	Avian & Exotics
Elizabeth Santischi, DVM, MS, DACVS (Lameness & Surgery)	Equine
Tim Holt, DVM, CVA	Food Animal
Louise Dunn	Practice Management
Mark Epstein, DVM, CVPP, DABVP	Small Animal
Angela J. Rathmann, AAS, CVT, VTS (ECC, SAIM)	Veterinary Technician
Kenneth Bruecker, DVM, MS, DACVS, DACVSMR	Hands-on

We also recognize and appreciate the 2022 Moderators of the Year:

Terry Beebe, DVM

Emma Scott, DVM

"We are grateful to the amazing educators who commit their time and talents to further important knowledge in the veterinary profession," says Andrea Davis, CEO of Viticus Group. "We congratulate these respected professionals who contributed to the success of the WVC Annual Conference and the veterinary industry. They make learning such a positive experience!"

About Viticus Group

As powerful innovations alter the world of animal and human health, Viticus Group (formerly WVC) is the leading provider of world-class programming and in-depth learning opportunities for veterinary and human health professionals. The Viticus Center offers state-of-the-art education at two cutting-edge technology facilities, presenting a variety of continuing education courses and providing access to specialized training for both veterinary and human health professionals. Our WVC Annual Conference serves as the veterinary profession's premier gathering for innovative education and an opportunity to engage with other industry professionals seeking growth. Bringing together *life* and *medicine* in *Viticus*, we envision a future where all medical professionals have access to year-round, hands-on training for a one-of-a-kind experience.
