

2023 EDUCATION PROGRAM & EXHIBIT HALL GUIDE

BUILDING ON THE LEGACY

PRESIDENT'S WELCOME

95th ANNUAL CONFERENCE

Building on the Legacy

What a year! It's difficult to believe that 12 months have passed since I had the honor of becoming your board president at Viticus Group. In this fast, short time, I had the opportunity to look at this amazing nonprofit organization with a new lens. More than ever, I clearly witnessed the behind-the-scenes work this team does to deliver the highest quality veterinary health education.

The vitality of Viticus Group is the reason that we've sustained for almost 100 years. The evolution of this organization is based on the ability to project the needs of our industry and adapt ourselves to those needs. From Day One, we committed to save and improve lives through innovative and high-quality education and that commitment has remained steadfast through today.

As we lean into our 95th Annual Conference, I invite you to challenge yourself to seek new and unfamiliar opportunities in the veterinary health space. With more than 400 exhibitors, hundreds of CE hours and much more, I am confident that there is an abundance of learning to be found in an area that is new to you.

To learn is to grow. To grow is to develop. To develop is to innovate. You are the navigator of building your own legacy and I am excited and grateful that you chose to do that with us this week!

It has been a privilege to serve as your board president at Viticus Group and I thank you all for your continued support of this organization. I wish you all the best in your veterinary health journey and have an amazing time at the 95th WVC Annual Conference – viva Las Vegas!

Cheers to the next 95 years!

Respectfully,

Debbie White, DVM, BS
2022 Board President
Viticus Group

CEO MESSAGE

95th ANNUAL CONFERENCE

Thriving at 95

Ninety-five years. What an accomplishment in itself! Hitting 95 years of anything is a feat and Viticus Group is incredibly proud of the innovative education that we've provided since 1928. During our humble beginnings as the Intermountain Livestock Sanitary Association-turned WVC almost 100 years ago, our intent was to collaborate, innovate and educate. Our pioneers created an outlet that has propelled veterinary medicine into a near-century of learning.

Viticus Group is proud to welcome you to Las Vegas – undoubtedly the Greatest Arena on Earth! Our team is thankful that you've chosen the WVC Annual Conference to spend your time away from your practice and home to have an experience of a lifetime!

We strive to provide a guest experience that offers educational opportunities, more than 800 RACE-approved CE hours, one of the largest animal health exhibit halls of its kind, world class entertainment, and hands-on laboratory sessions that span anywhere from dentistry to ultrasound to surgery, to name a few. The WVC Annual Conference is one-stop, all-encompassing stop to hone your skills and have some thrills!

Viticus Group is deeply grateful to all our sponsors who make this conference a reality for you all. Without their support, the conference would not be what it is today and our partnerships are invaluable.

Please enjoy this exciting week with us and be sure to take advantage of all the offerings – from taking a break at the Dog House to cuddle with some canines to experiencing the exhibit hall and learning lounge to catching country artist Ashley McBryde and so much more, there's something for everyone. Viva Las Viticus!

With gratitude,

Andrea Davis
Chief Executive Officer
Viticus Group

CONFERENCE SERVICES

HOSPITALITY SERVICES

FOOD COURT

Food and beverage service is available inside the Exhibit Hall (Monday-Wednesday), Bayside B&C, and at various restaurants located in the Convention Center and surrounding hotels.

Please pack your patience and plan accordingly; this is an extra busy time at Mandalay Bay Convention Center and guests may experience longer wait times for food and beverage services. Thank you for your understanding.

LUGGAGE STORAGE SERVICE

WVC will be providing luggage storage Sunday through Wednesday, located at Bayside B, Level 1 next to Exhibitor Registration. Mandalay Bay hotel guests can use the hotel's bell desk to hold luggage.

HEALTH & FAMILY SERVICES

PARTICIPANTS WITH DISABILITIES

The conference is accessible by scooter or wheelchair. Wheelchairs are available at hotel bell desks on a first-come, first-served basis. Supply is limited; additional fees may apply.

CHILD CARE SERVICES

Contact your hotel concierge directly for information about child care services within your hotel.

NURSING LOUNGE

Private nursing area available in Level 3, Foyer.

Sunday	8:30a-6:00p
Monday	7:30a-6:30p
Tuesday	7:30a-6:30p
Wednesday	7:30a-6:30p

TECH & CONFERENCE SERVICES

TECH ZONE

Visit the Tech Zone at the Breakers Registration Desk on Level 2 from Sunday-Wednesday to access email, gather local information, print your boarding pass, and get assistance connecting to WiFi and the WVC Connect App.

Saturday	3:00-6:00p
Sunday	6:00a-6:00p
Monday	6:00a-6:30p
Tuesday	6:00a-6:30p
Wednesday	6:30a-6:00p

TRANSPORTATION

MANDALAY BAY-EXCALIBUR TRAM Guests staying at Excalibur and Luxor are strongly encouraged to use the Mandalay Bay tram system. Tram availability is subject to change. The one-way trip from Excalibur to Mandalay Bay Hotel is estimated at seven minutes, including stop at Luxor, and is free.

LAS VEGAS MONORAIL Las Vegas offers a quick and convenient monorail to explore the Strip, providing easy, inexpensive access to major attractions and hotels. Nine trains travel up to 50 mph, and passengers board every four to twelve minutes at each station.

For cost and more information, call 702.699.8200.

CONVENTION CENTER PARKING

Convention center parking is available at Mandalay Bay for a nominal fee.

0-60 minutes	No Charge (1st Day Only)
1-4 hours	\$15
4-24 hours	\$18
Over 24 hours	\$18 each additional day or fraction thereof

TAXI/RIDESHARE Transportation is available at most hotels and are the recommended mode of transportation for efficient travel within the city. Lyft & Uber are available through your smart phone applications.

LOCAL BUS Regional Transportation Commission of Southern Nevada (RTC) offers a transportation option along the Las Vegas Strip. The Deuce double-decker buses provide both economical and environmentally sound transit. Tickets can be purchased on the buses and at deuce ticket vending machines located at most bus stops. A 2-hour pass is \$6, a 24-hour pass is \$8 and a 3-day pass is \$20.

Our profession grows
STRONGER
when we move forward
TOGETHER.

JOURNEY FOR TEAMS

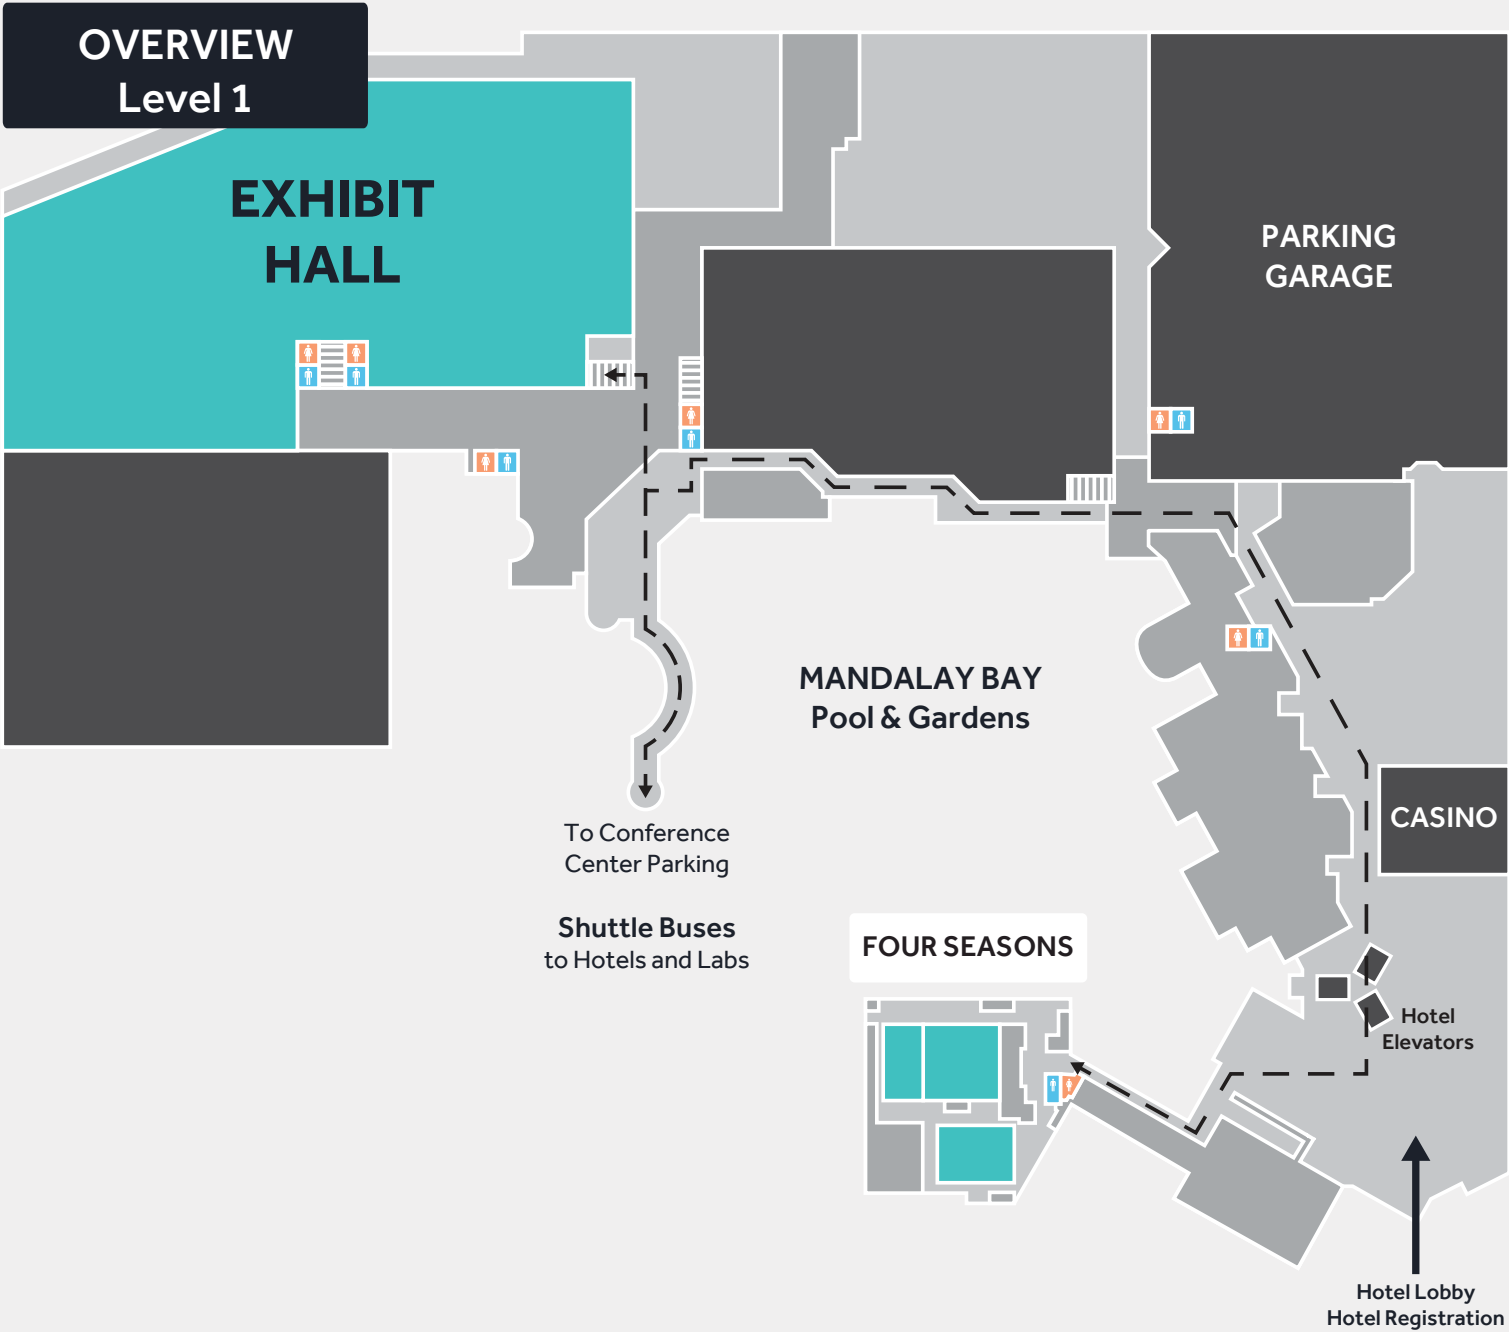

Our shared path to greater **diversity, equity, and inclusion**

Greater diversity, equity, and inclusion in the veterinary workplace fosters healthier team cultures, stronger relationships with our clients, and enhanced care for our patients. Journey for Teams is a shared experience of learning, discovery, and growth—practical, actionable resources and educational modules to help us get there together.

Begin the journey with us.

BOARD OF DIRECTORS' ELECTIONS

*Participants who attended a Viticus Group event from March 9, 2022, through February 21, 2023 are automatically members of Viticus Group for the 2022 membership year. Participants registered as a veterinarian are eligible to vote for two candidates for the office of Veterinary Director, serving five-year terms, and one candidate for the office of Vice President. Participants registered as a veterinary technician are eligible to vote for one candidate for the office of Vice President.

Voting will begin on Sunday, February 19 at 1:00p PST and continue through Tuesday, February 21 at 2:00p PST. During this time you will receive an email with a link that is unique to you. This link may be used to vote once and cannot be forwarded to others.

If you experience technical difficulties or do not receive an email and think you meet the eligibility requirements, please contact Viticus Group for assistance at support@viticusgroup.org or visit the Tech Zone.

The newly elected Board members will be officially welcomed at the Annual Informational Meeting on Wednesday, February 22 at 9:00a.

VITICUS GROUP ANNUAL INFORMATIONAL MEETING

**Open to Viticus Group Members*

Wednesday, February 22, 2023 ▶ 9:00–9:30a

Location: Oceanside F, Level 2

HOW TO CAST YOUR VOTE:

- REVIEW nominee biographic information online at viticusgroup.org, or on the following pages. (Use QR code scanning app on your mobile device to view candidates.)
- Cast your vote by clicking on the unique "vote here" link sent via email.
- Voting begins Sunday, February 19, at 1:00p PST and is open until 2:00p PST on Tuesday, February 21, 2023.
- Votes are REVIEWED and CERTIFIED in the presence of all members of the Governance Committee.

2023 BOARD CANDIDATES

VICE PRESIDENT *Vote for 1*

- ▶ Travis McDermott
- ▶ William (Bill) Wright

VETERINARY DIRECTOR ▶ *Vote for 2*

- ▶ Jerry Billquist
- ▶ Patricia Burbano
- ▶ Douglas Kratt

Use your mobile QR code scanning app to view candidates on Viticus Group website.

YOU DECIDE

CONTINUING EDUCATORS OF THE YEAR

Participants of the 95th WVC Annual Conference are eligible to vote for WVC 2023 Continuing Educators of the Year. The selected speakers will be recognized for their skills and contributions to the conference and veterinary profession. Select speakers by indicating your vote for the top presenter in each category when completing the session surveys.

Avian & Exotics
Equine
Food Animal
Practice Management
Small Animal
Veterinary Technician

BOARD OF DIRECTORS VOTING

Travis McDermott, DVM

CANDIDATE FOR VICE PRESIDENT

Dr. Travis McDermott was born in Galveston, Texas, and grew up in a small, rural town called La Grange, Texas. He obtained both his undergraduate and veterinary degrees from Texas A&M University in College Station, Texas. After receiving his veterinary degree in 2006, Dr. McDermott moved to Las Vegas and has been practicing small animal medicine since that time with a passion for three things: providing the best possible care for his patients, contributing to his profession by involvement in organized veterinary medicine, and enjoying time with his wife and three children.

Dr. McDermott has worked for over 16 years providing care to the pets of Las Vegas (including furry things, scaling things, and feathered things). He has also been actively involved in providing pet owner education through social media, community outreach, and work with local news outlets. While he has been practicing for quite a while, Dr. McDermott has been involved with organized veterinary medicine for even longer – 2 decades. He has served as President of the Student AVMA and the Nevada VMA as well as in the AVMA House of Delegates, on the AVMA Political Action Committee, and now as a member of the Viticus Group Board of Directors. If all things veterinary medicine is his passion, everything else in his life is his family. Dr. McDermott is married to Dr. Nasim McDermott, a board certified gastroenterologist, and they share their life with their three children – Owen, Aiden, and Emma.

William (Bill) Wright, DVM

CANDIDATE FOR VICE PRESIDENT

Bill Wright is a private practitioner in northeast Nevada, primarily involved with beef cattle with some equine, and performs surgeries for the local animal shelter one or two days per week. He has been associated with the Viticus Group for many years and in various roles, as attendee, session moderator, CPE examiner, and presently as a member of the board of directors.

Jerry Billquist, DVM

CANDIDATE FOR VETERINARY DIRECTOR

Dr. Jerry Billquist is a graduate of Colorado State University's College of Veterinary Medicine. Dr Billquist has spent his career in clinical practice as a military veterinarian, a resident veterinarian, an associate veterinarian, a multiple practice owner, and a relief veterinarian. Currently Dr Billquist works full time as a relief veterinarian in the Hill Country area of Texas.

Patricia Burbano, DVM

CANDIDATE FOR VETERINARY DIRECTOR

Dr. Patricia Burbano has led an exciting and varied veterinary career! Patricia spent five years in mixed practice before transitioning to multiple leadership roles in small animal practice. In 2017, she moved into an industry position focused on education and, while in this role, she completed a graduate certificate program in learning and development. Throughout most of her career, she has served the veterinary community as a relief veterinarian and is currently focusing on emergency practice. Patricia is passionate about client service, patient care, and lifelong learning.

Douglas Kratt, DVM

CANDIDATE FOR VETERINARY DIRECTOR

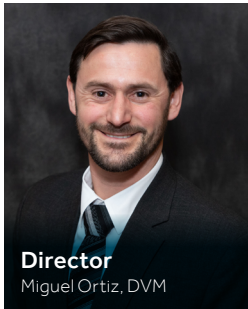

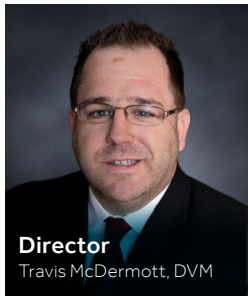

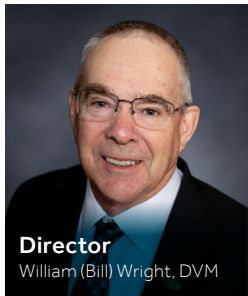

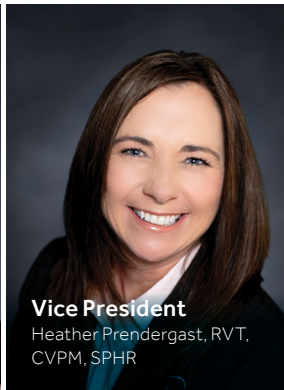

I am Dr. Douglas Kratt, a 1998 graduate of the University of Wisconsin School of Veterinary Medicine, and I am honored to be running for the Viticus Group Board of Directors. I have been an active member of my local, state, and national veterinary associations since attending veterinary school. I also served as a recent Past President of the American Veterinary Medical Association.

My wife, Dr. Kimberley Kratt, and I are both small animal practitioners. Together we own a thriving clinic accredited by the American Animal Hospital Association in central western Wisconsin.

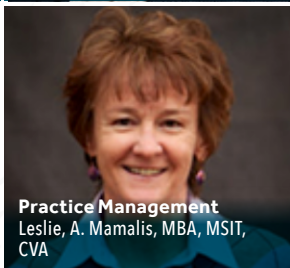

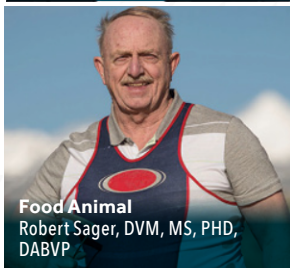

I am honored to have been nominated for the Viticus Group board and look forward to further its mission.

EXPLORE OUR HANDS-ON LAB FACILITIES

VITICUS CENTER - EASTERN CAMPUS
5810 S. Eastern Ave., Las Vegas, NV 89119

VITICUS CENTER - OQUENDO CAMPUS
2425 E. Oquendo Rd., Las Vegas, NV 89120

BEST IN EDUCATION AND HOSPITALITY

Viticus Center is a spacious venue with two campuses equipped with everything you need in animal health technology for learning and teaching, and also suited for hosting in style. This Center is a cutting-edge medical education space and a venue with a classy social atmosphere fused into one. You won't find its equal anywhere in the country, nor will you find its range of capabilities for the same price anywhere in Las Vegas. It's the all-inclusive facility the medical community deserves.

IDEAL LEARNING ENVIRONMENT

Animal health professionals can look forward to hosting or attending meetings, hands-on labs, workshops, symposia, and demonstrations in our one-of-a-kind facility dedicated to medical education. All of our multipurpose rooms are configurable with either sound-proof walls or open-air dividers to customize the space.

GOING GREEN

REDUCING OUR FOOT PRINT FOR PAW PRINTS

Viticus Group is dedicated to reducing its ecological footprint. Together with our partners, Mandalay Bay Convention Center and Freeman, we utilize the following green initiatives for the 95th WVC Annual Conference:

- We use recycled content for printing materials, lunch boxes, and giveaways. We currently provide a digital version of the conference program, which, in the future, we strive to move to an all digital program and decrease printed materials.
- Water bottles and water stations throughout the Convention Center are reusable.
- All banquet coffee is organic and is certified by QAI (Quality Assurance International), which is a certification company authorized by the United States Department of Agriculture.
- All conference and exhibit hall paper and plastic waste will be recycled on site.
- Approximately 20% of power demand of the Mandalay Bay campus is serviced by solar panels.
- The primary lighting in the Convention Center is completely upgraded. Annually, this saves the amount of electricity it would take to power 369 US homes for a year.
- Mandalay Bay was given the highest possible rating, 5 Keys, in the Green Key Eco-Rating Program that evaluates properties based on their green operations.
- MGM Resorts International has partnered with Three Square Food Bank to collect leftover food and donate to Three Square, which uses this to feed some of the 279,000 people who struggle with food insecurity in Southern Nevada.

EDUCATION PROGRAM

2023 EDUCATION Program & Guide

Participants must wear a conference badge at all times. Admission to education sessions is not allowed for guests and children under the age of 18. Guests who wish to attend educational program lectures must purchase a participant badge. Use the following session number prefix guide to assist your navigation of the 2023 Education Program.

CE CREDIT INFORMATION*

Full Conference Registration for Veterinarians with Labs	Up to 44 CE Hours*
Full Conference Registration for Veterinarians and Technicians without Labs	Up to 38 CE Hours
One-day Conference	7-10 CE Hours

Each 50-minute lecture provides one hour of CE credit. Please check with your respective state regarding the acceptance of hours spent inside the Exhibit Hall for continuing education credit.

SESSION ID

SA Small Animal	S Symposium
EX Avian & Exotics	IS Industry Seminar
FA Food Animal	WS Workshop
EQ Equine	HO Hands-on Laboratory
VT Veterinary Technician	EL Learning Lounge
PM Practice Management	EC Campfire

SPECIAL DESIGNATION ICONS

 Veterinarian	 Veterinary Technician
 Practice Manager	 Veterinary Student
 Pre-registration required Ticket encoded in badge	 Power Hour
 Industry Breakfast	 Must See
 Industry Lunch	 Hands-on Lab
 Workshop	 Symposium
 Campfire Session	 Lunch included with session

*Additional fee applies.

Program current as of 12/9/22; subject to change.
Please visit viticusgroup.org/wvc-conference for most up-to-date information.

CE CREDIT BY DAY*

Saturday, February 18	6 CE Hours*
Sunday, February 19	8 CE Hours* 8 CE Hours
Monday, February 20	10 CE Hours
Tuesday, February 21	10 CE Hours
Wednesday, February 22	10 CE Hours

*Includes hours obtained by purchasing hands-on labs or workshops (additional fees apply)

CE CREDIT CALCULATIONS

25 minute sessions = 0.5 CE credit hour
50 minute sessions = 1 CE credit hour

Hands-on labs and workshops are accredited based on the hours attended.

To qualify for your CE certificate, your badge must have been printed.

Practice Management track is approved for 73 CE units by VHMA

Viticus Group is an approved continuing education provider. Participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education. Individual participants are responsible for compliance to the policies of their individual state board.

Email Education@Viticusgroup.org for more information.

TRACKING SESSIONS FOR CE CREDIT/RECORD OF SESSIONS ATTENDED

We use badge-scanning technology to assist you in tracking the conference sessions you attend. Please enter the doorway nearest to the room signage to ensure that your attendance is recorded. Following the conference, you can access your record of sessions attended in the "My Account" section of the website. You are responsible for confirming that the sessions you attend comply with the state requirements where you are licensed. We do not track time in the Exhibit Hall for CE.

LEADER OF THE PACK IN DERMATOLOGY

At Zoetis, we're proudly pioneering the dermatologic science that's changing what's possible for veterinarians. Our products have provided both immediate and long-lasting relief to millions of dogs and their owners—and we're just getting started.

**Explore the Zoetis dermatology
portfolio at Booth 1737**

The Fight Against Big-Box Retailers: What Every Clinic Should Know

Speaker:

Mary Schwartz, CVT

Time & Location:

Sunday, February 19th, 2023,
11:00am - 11:50am,
Mandalay Bay C, Level 2

About Session:

What do new players in the veterinary care space like Walmart, Petco, and Lowes mean for vet med professionals? Many local clinics assume the answer is: "not a lot."

But as Big Box retailers enter the veterinary care space, there is an increasing trend for pet owners to perceive vet care as a commodity. Clients expect commodities to be cheap and interchangeable; everything pet care shouldn't be.

Join PetDesk's session to learn more.

Introducing your friend in the
fight — powerful nutrition
designed for cats with cancer.

SCIENCE DID THAT.

NAVTA

THIS IS WHO WE ARE.
THIS IS WHAT WE DO.

NAVTA is a dynamic community of credentialed veterinary technicians dedicated to advancing the profession of veterinary nursing through advocacy, awareness, and professional development.

NAVTA IS COMMITTED TO:

Leading and elevating the veterinary technician/nurse profession

Being a mission- and member-driven association

Encouraging diversity in ideas, perspectives and people

Open and honest communication.

NAVTA'S FOCUS:

- > Continuing Education
- > Advocacy
- > Online Resources
- > Networking
- > Infrastructure
- > Publications

Lend your voice to the future of the veterinary technician/nurse profession.

JOIN NAVTA TODAY!

Antech's partnership
allows us to focus
on what we love
most — more time
caring for patients.

Nicole Sheehan, DVM
Owner Whole Pet Veterinary Hospitals
with her dog Ginger

Visit us at
Booth 1471
to get a WVC
survival kit

94% of the clinicians surveyed in a study agreed that sending fecals to a reference laboratory produces more accurate results. Technicians also reported that in-house fecal flotations are their least favorite task.

Dr. Sheehan trusts Antech laboratories to deliver the most accurate results for all of her preventive diagnostics needs, including fecals — so her practice not only functions, but thrives.

Because when you can trust in the right diagnostics, you have more time to focus on what you love most — caring for your patients.

Better Diagnostics. Better Medicine.™

ANTECH

Scan the QR code to read how Dr. Nicole Sheehan uses Antech's diagnostics and imaging to better care for her patients.

Address
City, State Zip Code

WVC 95th Annual Conference
February 19-22, 2023

AAVSB- RACE CE hours of veterinary continuing education were presented via lectures and interactive sessions by WVC dba Viticus Group at Las Vegas, NV.

State of Licensure _____ License#(s) _____
Signature _____ Date _____

Your course titled WVC Annual Conference has been approved by the American Association of Veterinary State Boards. CE Broker Tracking #20-849813 has been approved for _____ hours of continuing education credit in jurisdictions that recognize RACE approval. This RACE approval is for the subject matter categories of: _____ using the delivery method of: _____. This approval is valid in jurisdictions that recognize AAVSB RACE; however, participants are responsible for ascertaining each board's CE requirements.

Category Medical _____ Hours
Category Non-Medical _____ Hours
Delivery method: Live

Anthony Pease, DVM, MS, DACVR
Chief Veterinary Medical Officer
Viticus Group

2425 E. OQUENDO RD. | LAS VEGAS, NV 89120 | P: 866.800.7326 | F: 702.739.6420
E: info@viticusgroup.org | W: ViticusGroup.org

The 95th WVC Annual Conference AAVSB RACE

- The mechanisms for certification and documentation of attendance are determined by the policies of individual state boards and are the compliance responsibility of the individual participant.
- Hands-on laboratories and workshops are accredited based on the hours attended.
- To qualify for your CE certificate, your badge must have been printed and will be scanned upon entry to sessions.

CE CERTIFICATE PRINTING

Your password-protected WVC 2023 Certificate of Attendance is available online at viticusgroup.org. Forgot your password? Enter your email address where indicated, and it will be sent to you. No email access? Unable to print? Please email the Viticus Group office at support@viticusgroup.org to request a printed certificate.

EXHIBIT HALL CE

Up to 2 CE hours. Contact your state for CE requirements.

SAFETY INFORMATION

Your safety is our first concern at Viticus Group. Although no emergency situation is anticipated, you should be aware of the following safety systems and procedures.

ALARM AND FIRE DETECTION SYSTEMS

Fire Detection: Mandalay Bay facilities are equipped with sophisticated electronic fire detection and alarm systems. State-of-the-art fire suppression systems control and extinguish fires of major consequence. Portable fire extinguishers are also strategically placed throughout the property.

EVACUATION

If an emergency warrants evacuation of the Convention Center, its magnitude is confirmed by Mandalay Bay Security and communicated to Convention Center personnel. Announcements regarding any perceived emergency, regardless of severity, are played over the Convention Center public address system at three notification levels:

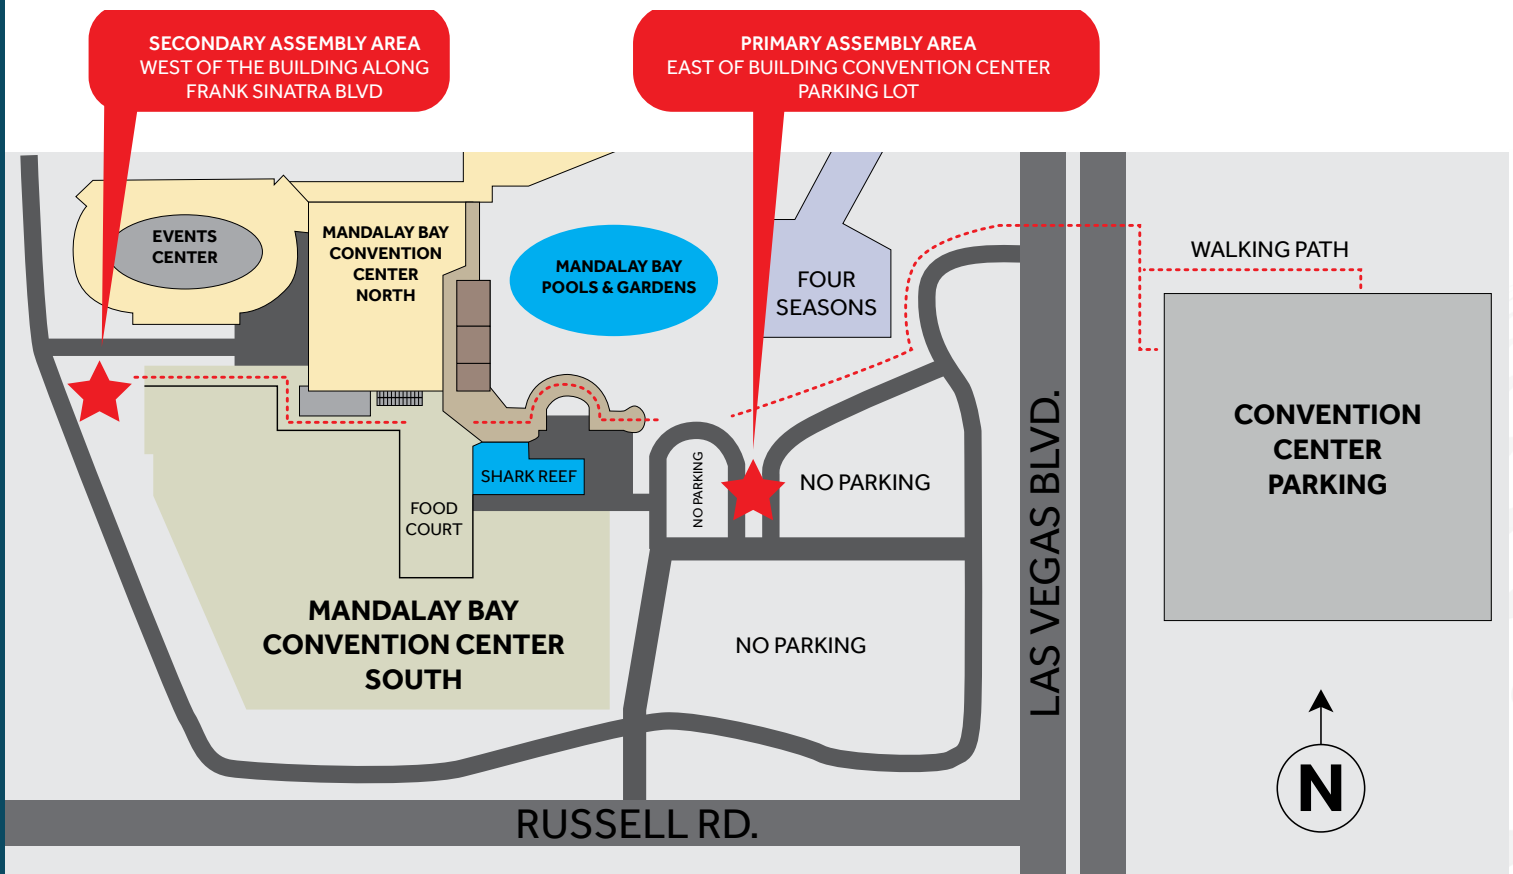

- Initial emergency while the source of the problem is investigated (female voice) – no action required.
- Non-emergency when the source of an alarm has been identified and the issue resolved (female voice) – no action required.
- Evacuation when the source of an alarm has been identified as cause to evacuate the building (male voice) – evacuation required.

EVACUATION SAFETY

- Remain calm and proceed in an orderly manner.
- Leave the facility through the nearest exit as instructed.
- Do not take time to retrieve personal property.
- Do not attempt to use elevators or escalators.
- Assist elderly and disabled persons.
- Listen for instructions via the public address system.
- Proceed directly to the designated assembly area located in the parking lot area, just outside the Shark Reef entrance (pictured below).
- Do not try to reenter the building until an "all clear" message is given.

EXITS

Emergency exits throughout the Convention Center are clearly marked, and signs remain visible even during power outages.

New for You! The Zoetis Petcare Network

An innovative online resource for you and your practice, offering:

- The latest product information
- Free continuing education
- Downloadable practice tools and client handouts
- Bite-sized multimedia blogs, videos, podcasts, and articles
- Wellness and practice health tips
- Sweepstakes and more!

Talk to your Zoetis representative at our booth and enter for a chance to win fun prizes.
