Direct sponsorships are funds provided by Exhibitors as direct support for specific WVC events or services benefiting attendees. (Ex: Notebooks & Pens, activations, session tracks)

Indirect sponsorships are events or services that occur at WVC but are provided directly by the sponsor to the participants. (Ex: Dollars spent on Industry Breakfast/Lunch Seminars)

Sponsoring companies receive priority points. Priority points are important when selecting exhibit hall space and provide the sponsor the ability to receive priority when applying for symposia and other events. Sponsors receive two (2) priority points for every \$500 spent on sponsorships.

WVC reserves the right to review and approve all sponsorship items before they are released to attendees.

TERMS & CONDITIONS:

Sponsorship payment will be due and payable upon receipt of invoice or no later than 30 days from receipt of invoice.

Sponsor may cancel the Sponsorship Agreement in writing; however, sponsor agrees to the following refund schedule:

50% Refund = 91 - 120 days before the first day of the Conference

25% Refund = 61 - 90 days before the first day of the Conference

No Refund = less than 60 days before the first day of the Conference

Please refer to the Service Agreement for more information on requirements and limitations. 2025 Sponsors will receive the right of first refusal of the same previously sponsored item at the next Annual Conference. Therefore, the 2026 Sponsors must contact WVC to reserve or renew previously sponsored items by July 1, 2025.
