

ADVANCED FRACTURE REPAIR

October 26-28, 2023 | Vitacus Group – Oquendo Center

Day 1

- 7:15a** **Shuttle Departs for Course**
Upon Arrival **Breakfast:** Welcome
- 8:00a** **Lecture:** Welcome
- 8:15a** Review of Fracture Classification & Bio Mechanics
- 8:45a** Clinical Use of Traditional & Locking Plates
- 9:15a** Strategies to Repair Comminuted Fractures
- 9:45a** Fractures of the Pelvis
- 10:30a** **Lab 1:** Long Oblique Fracture of the Ilium
Lab 2: (Optional) Tochanteric Osteotomy & Approach to Acetabulum
- 12:00p** **Lunch**
- 1:00p** **Lecture:** Fractures of the Distal Femur
- 1:30p** Articular/ Periarticular Fractures
- 2:00p** **Lab 3:** Comminuted Mid-Shaft Femur Fracture
Lab 4: Supracondylar Distal Femur Fracture or
 Optional Comminuted Distal Femur Fracture
- 5:00p** **End of Day – Shuttle Departs for Hotel**

Day 2

- 7:15a** **Shuttle Departs for Course**
Upon Arrival **Breakfast**
- 8:00a** **Lecture:** Fractures of the Distal Humerus
- 8:30a** Fractures of the Proximal Ulna

-
- 9:00a Lab 4:** Lateral Condylar Humer Fracture
- 10:45a Lab 5:** Proximal Ulna Fracture
- 12:00p Lunch**
- 1:00p Lecture:** Fractures of the Tibia
- 2:00p Lab 6:** Comminuted Fracture of the Tibia
- 3:00p Lab 7:** Proximal Tibial Fracture with Tibial Tuberosity Avulsion
- 4:00p Lab 8: (Optional)** Distal Malleolar Fracture
- 5:00p End of Day – Shuttle Departs for Hotel**

Day 3

- 7:15a Shuttle Departs for Course**
Upon Arrival Breakfast
- 8:00a Lecture:** Strategies to Reduce SSI's
- 8:20a** Peri-Operative/ Post-operative Management
- 8:40a** Post-Operative Radiograph Assessment
- 9:00a** Malunion/ Non-Union
- 9:20a** Strategies for Explanation
- 9:40a** Radiograph Review/ Case Discussion
- 11:40a** Course Wrap-Up/ Discussion
- 12:00p End of Course – Shuttle Departs for Airport & Hotel**
