FROM VEGAS TO NASHVILLE INNOVATION STARTS HERE

Viticus Group is excited to announce the opening of our new education centers in Nashville! We're bringing our world-class expertise and state-of-the-art facilities to Music City, a vibrant hub where veterinary and human healthcare converge. Our commitment has always been to serving the needs of the profession and preparing care providers for the future, and we are thrilled to expand our mission to this part of the country.

Viticus Group Nashville will consist of two education centers, with Center 1 anticipated opening in September 2026 and Center 2 opening in early 2027. *Subject to change*

COLLABORATION CONVENES HERE

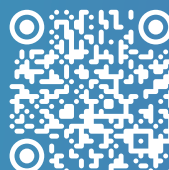

Our mission is to provide innovative veterinary and human healthcare education worldwide. We are focused on offering and expanding services to advance your goals, whether you are in animal health or human medicine. The new Nashville education center is designed to be a premier hands-on training facility where "life" meets "medicine" and professionals can collaborate and discover new innovations.

"Viticus Group is amazing. As somebody who is trying to run really thoughtful, complete labs, Viticus offers everything that I'm looking for"
