**Viticus Group Announces Breakthrough Training in 2023 -
Gender Affirmation Surgery; Comprehensive Care & Surgical Techniques**
First and Only of its Kind in Nevada for Continuing Medical Education (CME) Course - July 21 & 22, 2023

LAS VEGAS—[Viticus Group](#), a leading provider of continuing education for veterinary and medical healthcare professionals worldwide, announces the first and only continuing medical education (CME) course of its kind in Nevada focused on Gender Affirmation Surgery; Comprehensive Care & Surgical Techniques. Coming July 21 and 22, 2023 located at its Viticus Center campuses in Las Vegas, the course will include both a didactic and hands-on laboratory training and interested attendees can [join the waitlist](#) now. Lead expert instructors are [Drs. John Brosious](#) and [Joshua Goldman](#), with [Vegas Plastic Surgery Institute \(VPSI\)](#) and topics include, but are not limited to (subject to change):

- Current state of gender affirming surgeries
- Developing interdisciplinary programs
- Pre-operative care
- Transmasculinizing surgery (chest, facial, phalloplasty)
- Transfeminizing surgery (chest, facial, vaginoplasty)

The didactic course is appropriate for plastic surgeons, residents, fellows, urologists, nurse practitioners, physician assistants and interdisciplinary team members; the hands-on course is appropriate for plastic surgeons, fellows, residents, urologists and first assists.

(more)

“We are incredibly proud to bring this rare continuing medical education course to Las Vegas,” said Andrea Davis, chief executive officer (CEO), Viticus Group. “We’re fortunate to partner with expert physicians, Dr. John Brosious and Dr. Joshua Goldman, to bring this hands-on training that is, not only unique, but necessary in the healthcare training space.”

“It takes an organization like Viticus Group and the right collaborators to have the courage and capability to produce an intricate training course such as this,” said Shawn Tsuda, MD, MBA, FACS, [VIP Surg](#), Chair of the Valley Health System General Surgical Residency Program and Viticus Group board member. “With it being the first of its kind in Nevada, I’m proud to be a part of leading this charge and bring this important education to our physicians and clinicians who care for those around us.”

After more than 12 years of hosting bioskills laboratories as a nationally sought-after medical event partner, Viticus Group achieved its accreditation with the [Accreditation Council for Continuing Medical Education](#) (ACCME). Viticus Group now provides self-generated continuing education (CE) courses to meet the continuing education needs of physicians and surgeons everywhere. Our nonprofit organization is now one of six accredited CE providers in Nevada and one of five in the Las Vegas area.

About Viticus Group

As powerful innovations alter the world of animal and human health, Viticus Group (formerly WVC) is the leading provider of educational programming and in-depth learning opportunities for veterinary and human health professionals. The Viticus Center offers continuing education at two cutting-edge campuses, presenting a variety of courses and providing access to specialized surgical training for both veterinary and human health professionals. Viticus Group’s legacy signature event, the WVC Annual Conference, serves as the veterinary profession’s premier gathering for innovative education and an opportunity to engage with other industry professionals seeking growth. Bringing together life and medicine in Viticus, we envision a future where all medical professionals have access to year-round, hands-on training for a one-of-a-kind experience.
