2024 Viticus Group Board of Directors Election Results

New Vice President, Two Veterinary Directors, One Human Health Medical Director Named

LAS VEGAS—[Viticus Group](#), a leading provider of innovative veterinary and human healthcare education worldwide, announced the results of its 2024 Board of Directors election for four positions. The announcement was made at its Annual Meeting held every year at the [WVC Annual Conference](#). The election process occurs on an annual basis with a voting process that addresses staggered terms. Viticus Group Board of Directors is comprised of 16 members who come from veterinary and human healthcare backgrounds.

- Vice President – [Brian Darrow, DVM](#)
 - One-year term
- Veterinary Director – [Adam Miller, DVM](#)
 - Five-year term
- Veterinary Director – [James O'Dea, DVM](#)
 - Five-year term
- Human Medical Director – [Dr. Racquel Bueno](#)
 - Five-year term

Brian Darrow, DVM

Adam Miller, DVM

James O'Dea, DVM

Dr. Racquel Bueno

“I am honored to welcome and work for these esteemed board members,” said Andrea Davis, chief executive officer, Viticus Group. “The wealth of experience, diverse perspectives and commitment to excellence will navigate the ever-changing landscape of our industry and ensure we are delivering the highest quality of innovative education to veterinary and human healthcare worldwide.”

Additionally, for the first time ever in its 96-year history, the Board of Directors installed a registered veterinary technician as its board president, when historically, veterinarians have held the board president role. Viticus Group Board President and Registered Veterinary Technician (RVT) [Heather Prendergast](#) began her one-year term on Feb. 21.

Heather Prendergast,
RVT

About Viticus Group

As powerful innovations alter the world of animal and human health, Viticus Group (formerly WVC) is the leading provider of innovative veterinary and human healthcare continuing education worldwide. As the largest freestanding combined animal and human hands-on (bioskills) training and continuing education organization in the world, Viticus Group offers continuing education at two cutting-edge campuses, presenting a variety of courses and providing access to specialized surgical training for both veterinary and human health professionals. Viticus Group's legacy signature event, the WVC Annual Conference, serves as the veterinary profession's premier gathering for innovative education and an opportunity to engage with other industry professionals seeking growth. Bringing together life and medicine in Viticus, we envision a future where all medical professionals have access to year-round, hands-on training for a one-of-a-kind experience.
