

## Western Veterinary Conferences

### Nashville 2026

#### Sponsorship Proposal: CAETA's Euthanasia Technique Workshop

##### Workshop Overview

This 3-hour, hands-on workshop focuses on building confidence and consistency in euthanasia technique through guided practice and expert instruction. Participants strengthen decision-making around venous access and intraorgan approaches while refining procedural flow, preparedness, and professional collaboration. Emphasis is placed on readiness across clinical environments, supporting efficient execution, team confidence, and a dignified experience during end-of-life care.

##### Workshop Instructor

Kathleen Cooney, DVM, CHPV, CPEV, DACAW

##### Educational Content Summary

This workshop will provide euthanasia practice using feline simulation models. Participants review venous pathways, intraorgan injections, memorialization, and much more. This is an opportunity to gain invaluable technique training. We also outline the necessary supplies for both the hospital and mobile settings. Being prepared for all scenarios is the secret to success. It brings peace of mind and helps ensure the veterinary team is able to successfully complete the procedure. No detail is too big or too small.

##### Workshop Objectives

1. More confidently administer via the intraorgan route
2. Choose the best vein to work with every time
3. Provide respectful body handling and memorialization

##### Audience & Format

Target Audience: Veterinarians and credentialed veterinary technicians involved in euthanasia procedures and end-of-life care

Format: In-person, interactive, hands-on workshop using feline simulation models

Duration: 3 hours

Capacity: 36 participants (limited enrollment)

Workshop Fee: \$125 per participant

##### Sponsorship Opportunity

Sponsorship of CAETA's Euthanasia Technique Workshop provides companies with an opportunity to support high-impact veterinary education in one of the most critical and

emotionally impactful areas of clinical practice. This proposal is being developed for distribution to potential industry partners interested in sponsoring a hands-on veterinary conference workshop at Western Veterinary Conference Nashville 2026.

#### **Use of Sponsorship Support**

Sponsorship funds will directly support the delivery of this hands-on workshop, including facilitator support, feline simulation models, training supplies, and educational materials.

#### **Conclusion**

CAETA's Euthanasia Technique Workshop provides veterinary professionals with essential technique training that promotes confidence, preparedness, and peace of mind when performing euthanasia procedures. Sponsorship support helps ensure this important educational experience is delivered at a high standard, directly benefiting veterinary teams and the clients and patients they serve.
